# WHO ARE CITYWIDE MANCHESTER?

Citywide Manchester is a specialized property developer That Focuses On Innovative Property Development Projects throughout the UK.

We deploy our capital into Specialist Supported Housing (SSH) schemes and deliver bespoke quality housing schemes across the UK.

Our primary vision and targets are to develop residential properties throughout the UK.

We have a wide range of clients from Local to National Government organisations that we collaborate with to procure properties in most Major Cities in the UK.

With over 100 years combined experience and with assets under management in excess of £40m, we have the expertise to produce valid projects, delivering homes to large registered providers, CIC's and care providers.

# OUR SERVICES

We use our extensive experience, which includes property design, construction and renovation, to acquire properties to create bespoke, supported homes.

## Building The Right Homes in The Right Places:

- Supported homes built to last
- Small scale individual homes to multi-tenure modern developments
- Unique location selections
- Successfully integrating supported homes into local communities
- Adaptable design and build process
- Bespoke End to End Development

All our development are designed, structurally altered, refurbished or designated for occupation by, and made available to residents who require specialised services or support in order to enable them to live, or to adjust to living, independently within the community.

## Working Together

Establishing strategic relationships is key to our approach and we aim to become market leaders in supported property development over the next few years. Find out more about partnering with us and why you should work with an award-winning organisation.
